

Ozark Mountain School District Digital Learning Program

Join our Virtual School Program and reap the benefits of being supported by a school while working at your own pace from home.

A New Tradition of Education

Ozark Mountain School District is excited to offer our patrons an alternative approach to education through technology.

Benefits of our Virtual School

All students will receive:

Laptop

School Supplies

Digital Curriculum (Acellus)

Reimbursement for Internet (up to \$75 per month)

Access to our school libraries

2 field trips per school year
